A Fun Atmosphere Conducive to Learning
Every day campers will be introduced to new skills and activities that they can do and have fun with on their own. Our objective is to foster a love for the beautiful game and make soccer so enjoyable that kids go out and play when they don't have an organized practice or game.

Mail camp form and payment to :

New Albany High School
7600 Fodor Road
New Albany, Ohio 43054
ATTN: Chad Schuler

**Each camper
receives a camp
T-shirt and a ball !**

What We Do

The focus of the camp will be on the age appropriate technical fundamentals of

- HAVING FUN PLAYING SOCCER !
- dribbling / introduce moves to beat an opponent
- juggling the soccer ball
- passing w/ different parts of the foot
- receiving the soccer ball and turning with the soccer ball
- striking / shooting with different parts of the foot
- games to play at home or with a friend

“The Player’s Game”

The beautiful game is “beautiful “ because it allows players to make the decisions on the field. We will encourage this aspect by allowing campers to experiment and practice what they have learned in a “no pressure” game environment. Coaches will supervise each game and make suggestions to players and teams when appropriate. This allows players to become self-reliant on their decision-making skills and learn the game the way billions of people around the world have learned it...by playing and having fun!

What each camper should bring

1. soccer appropriate shorts and shirt
2. soccer shoes
3. shin guards
